I

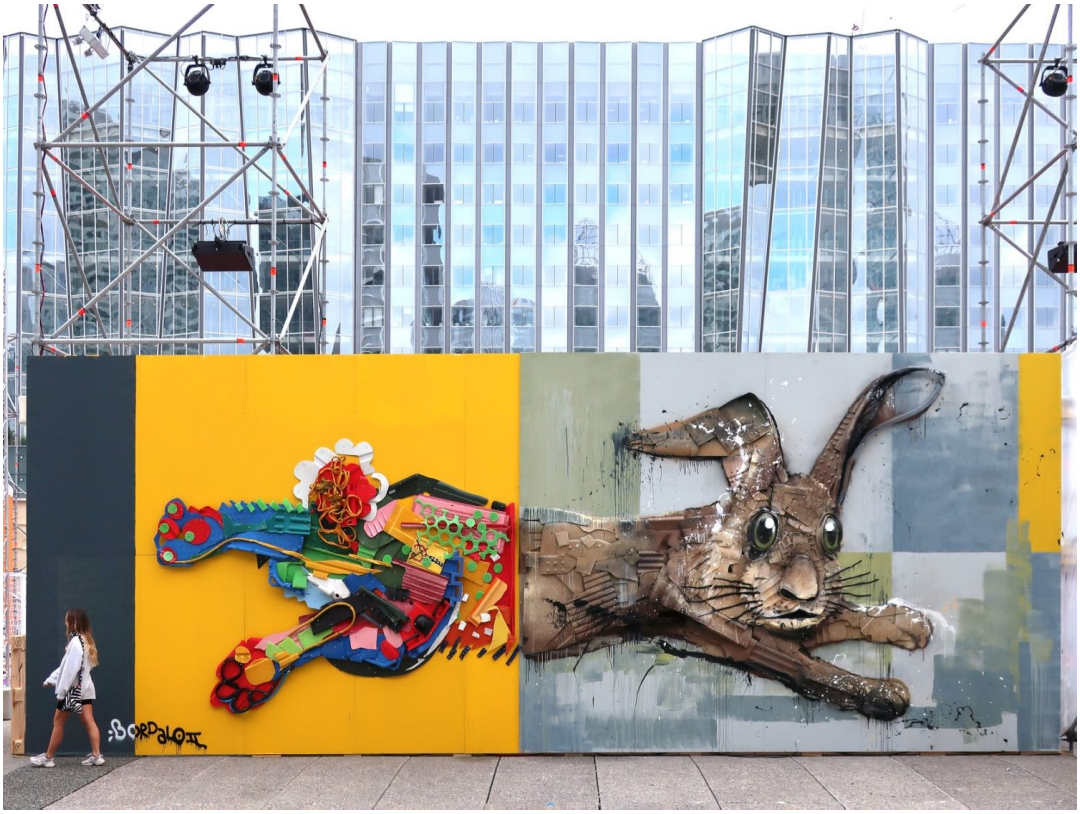

20

anni

della

Comunità

Rifiuti + ? No opere d'arte +

Arthur Bordalo è un giovane street artist

che utilizza i + rifiuti + per inventare incredibili opere d'arte + .

Lo street artist è un artista

che fa le + sue opere d'arte + per strada ,

sui + muri + dei + palazzi + e nei + parchi + .

Arthur è nato a Lisbona .

Il nonno di Arthur era il pittore Real Bordalo

e Arthur ha imparato da lui a fare l' artista .

Arthur firma le sue opere d'arte come Bordalo II

per ricordare il suo nonno .

Arthur ha fatto opere d'arte in tutto il mondo ,

anche in Italia .

Le sue opere d'arte sono spesso grandi animali

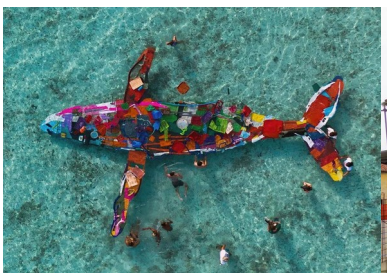

fatti con rifiuti trovati nelle strade o in discarica .

Sembrano enormi collage .

Con le sue opere d'arte Arthur ci vuole ricordare

che produciamo molta spazzatura e che sporchiamo tutto il mondo .

Arthur ci chiede di cambiare e di usare bene quello che abbiamo .

I 20 anni della Comunità

L' 11 dicembre abbiamo festeggiato

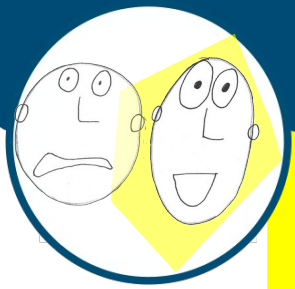

il compleanno della nostra Comunità .

La nostra Comunità ha compiuto 20 anni .

Nel giorno della festa della Comunità

abbiamo fatto un convegno dal titolo :

" La via dell' accoglienza "

Abbiamo scelto questo titolo perchè in 20 anni

abbiamo accolto tante persone .

Abbiamo accolto persone che ora abitano in Comunità .

Abbiamo accolto persone che hanno abitato in Comunità per un po'

e ora abitano da altre parti .

Abbiamo accolto persone nel laboratorio .

Abbiamo accolto persone con disabilità , operatori e volontari .

Ma prima di tutto , le persone che sono passate dalla Comunità

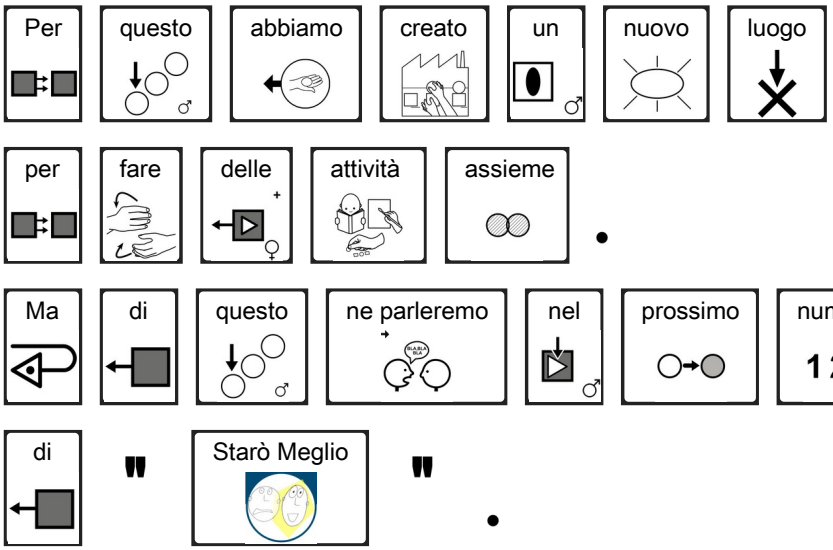

per noi sono state degli amici .

Perchè gli amici sono persone che ci fanno stare bene

e trascorrono del tempo con noi .

L' 11 dicembre abbiamo detto che vogliamo accogliere

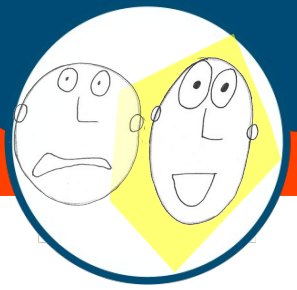

ancora tante persone .

Per
questo
abbiamo
creato
un
nuovo
luogo
per
fare
delle
attività
assieme
Ma
di
questo
ne parleremo
nel

Un | sogno | nel | cassetto

Vi | racconto | un | sogno | nel | cassetto .

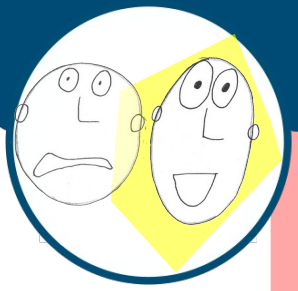

Il | mio | più | grande | sogno | nel | cassetto

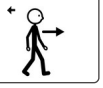

è | sempre | stato | quello | di | sposarmi .

Da | quando | avevo | 15 | anni ,

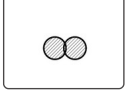

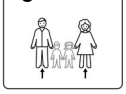

il | mio | più | bel | sogno | era | di | incontrare | sulla | mia | strada

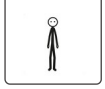

un | bravo | ragazzo | che | mi | volesse | come | sua | moglie .

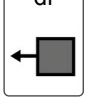

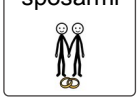

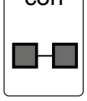

Ho  questo  sogno  da  quando  andavo  a  scuola 

e  con  le  mie  amiche  speravamo  di  sposarci  tutte  .

Io  sognavo  spesso  di  preparare  , assieme  ai  miei  genitori  ,

il  matrimonio  con  l'  uomo  della  mia  vita  .

Io  sognavo  di  sposarmi  con  l' abito bianco lungo

e vicino a me avevo molti parenti .

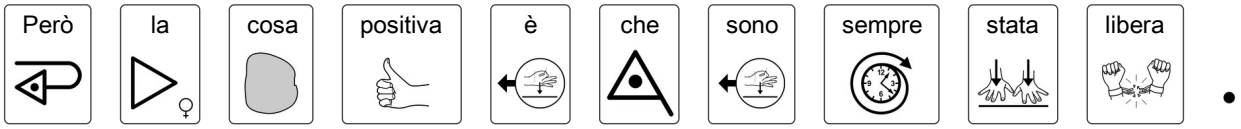

Dopo la cerimonia avevo in mano 2 mazzi di ori :

un mazzo lo tenevo io

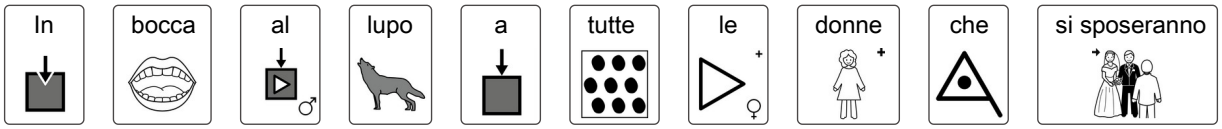

e l' altro lo buttavo alle mie amiche danzate .

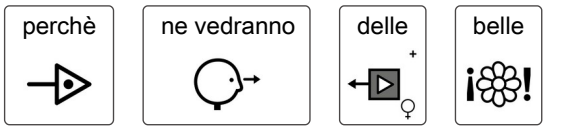

Ho dovuto chiudere questo cassetto per sempre

perchè non succederà mai .

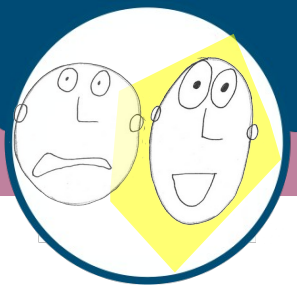

Però
la
cosa
positiva
è
che
sono
sempre
stata
libera

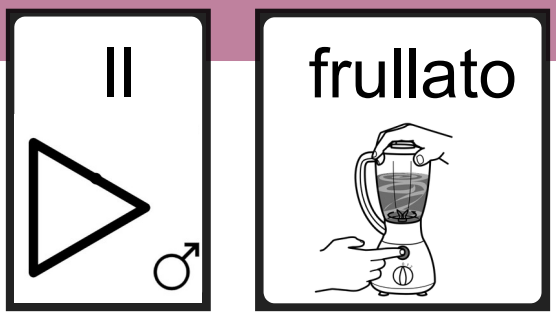

.

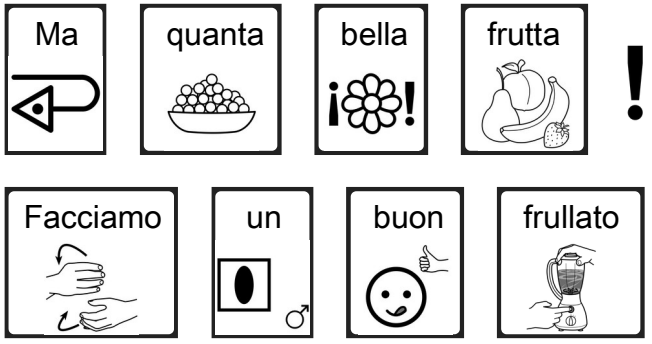

In
bocca
al
lupo
a
tutte
le
donne
che
si sposeranno

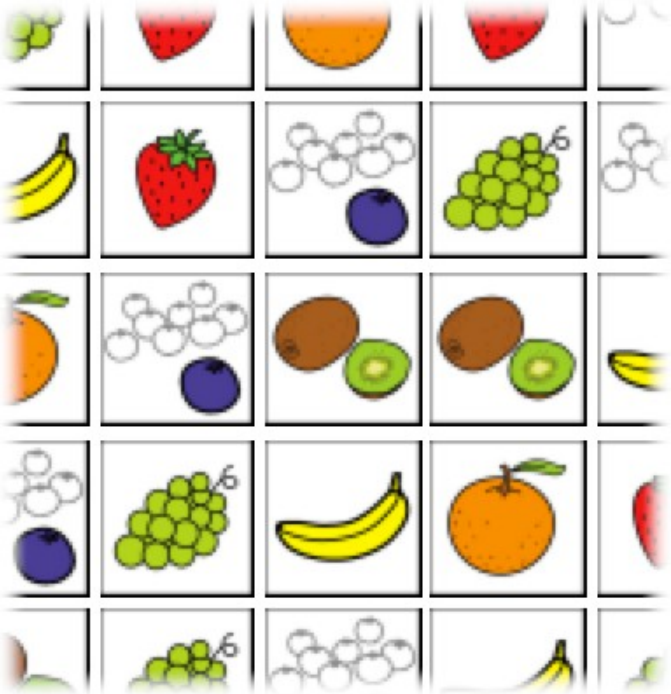

perchè
ne vedranno
delle
belle

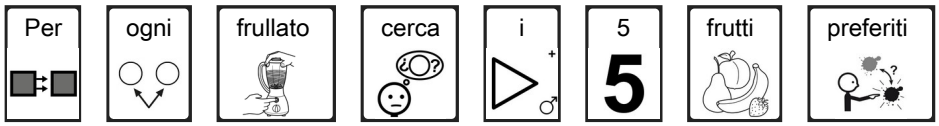

!

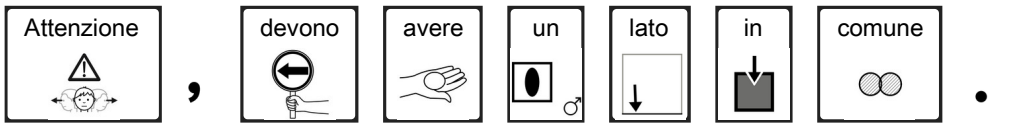

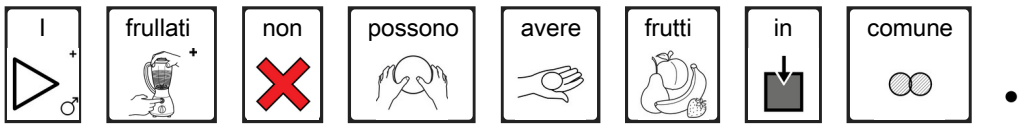

Il
frullato

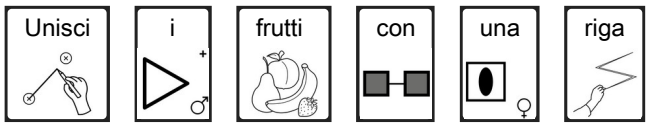

Ma
quanta
bella
frutta
!
Facciamo

Le storie del ragionier Bianchi B

C' era una volta il ragionier Bianchi B .

Una volta perchè quando accade questa storia era l' anno 1962 .

Nel 1962 non c' era la tv a colori .

Nel 1962 non c' era internet .

Nel  **1962** non  c'  era  il  cellulare 

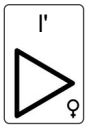

e  le  telefonate  costavano  molti  soldi  .

Il  ragionier Bianchi  nel  **1962** abita  a  Varese  .

Come  tutti  i  ragionieri  ,

il  ragionier Bianchi  sa  fare  i  conti  .

Per  lavoro  il  ragionier Bianchi  gira  l'  Italia  per  vendere  medicine  .

Gira  l'  Italia dal lunedì al sabato .

Il ragionier Bianchi torna a casa la domenica

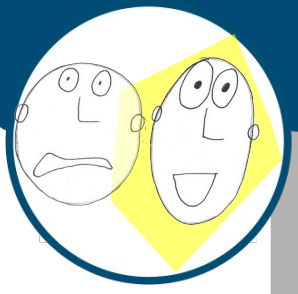

e parte il lunedì mattina .

Il ragionier Bianchi torna a casa da sua figlia

e da sua moglie .

Ogni volta , prima che il ragionier Bianchi riparta ,

sua figlia gli dice :

" Papà , raccontami una storia tutte le sere " .

Se il ragionier Bianchi non racconta una storia a sua figlia ,

sua figlia non dorme .

Anche la moglie del ragionier Bianchi sapeva tante storie ,

ma le aveva raccontate già tutte alla figlia .

La moglie del ragionier Bianchi aveva raccontato alla figlia

tutte le storie anche per tre volte .

Adesso la moglie del ragionier Bianchi non sa più come fare

per addormentare la bambina .

Così il ragionier Bianchi quando è lontano da casa ,

in una nuova città ,

telefona a sua figlia alle nove in punto .

Tutte le sere alle nove in punto il ragionier Bianchi

telefona | a | sua | figlia | e | le | racconta | una | storia .

Le | storie | al | telefono | del | ragionier Bianchi | sono | corte

perché | le | telefonate | lunghe | costano | molto .

In | alcuni | giorni | il | ragionier Bianchi

guadagna | più | soldi , quindi | può | fare | telefonate | più | lunghe

e | racconta | storie | più | lunghe .

A | Varese | c' | è | un | centralino .

Il | centralino | è | un | posto | dove | arrivano | tutte | le | telefonate .

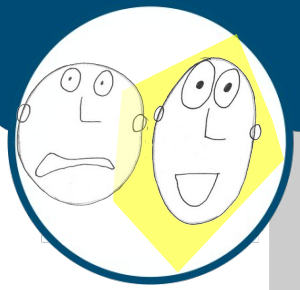

Tutte | le | sere | dal | lunedì | al | sabato , alle | nove in punto ,

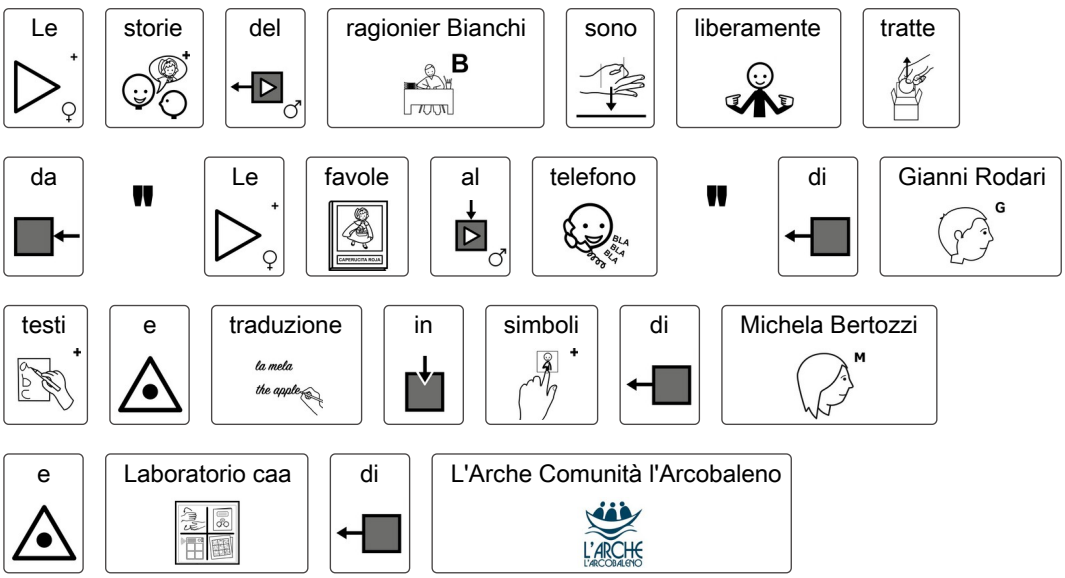

tutte | le | centraliniste | si fermano | per | ascoltare | le | storie | del | ragionier Bianchi

perché | sono | molto | carine

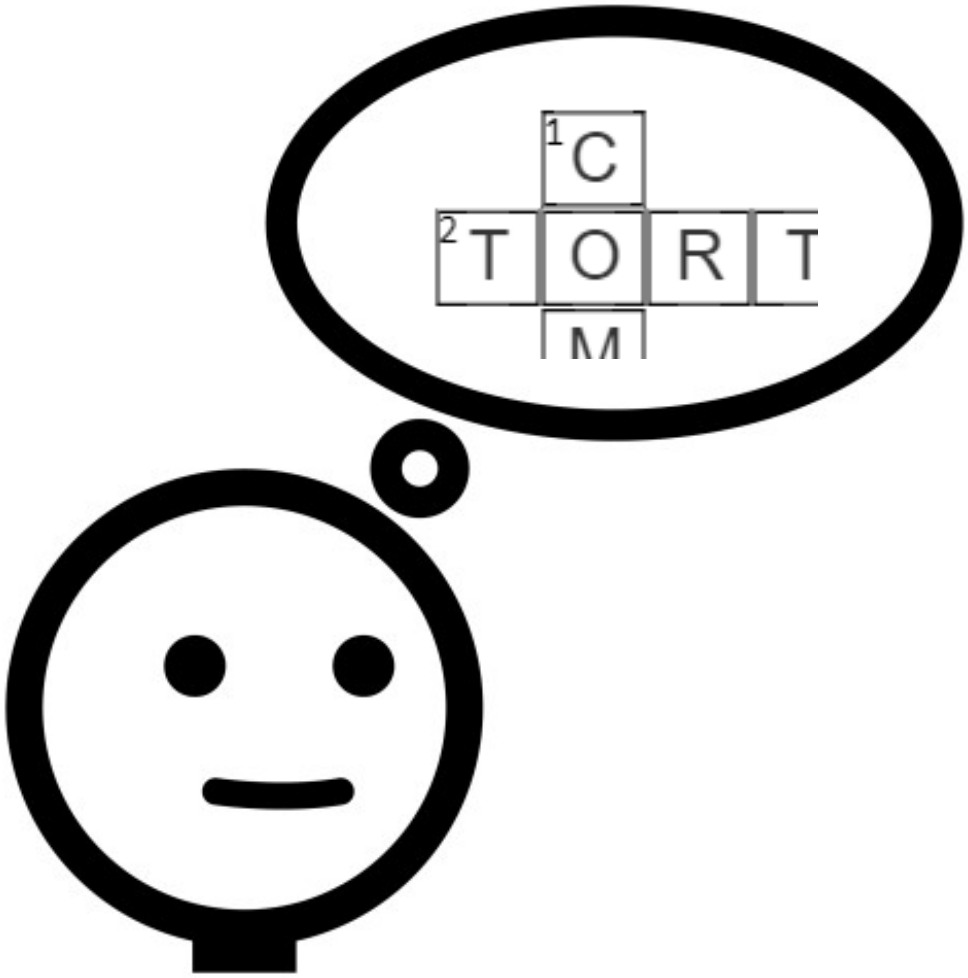

Nel | prossimo | numero 123 | troverai | una | storia | al | telefono | del | ragionier Bianchi .

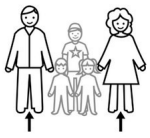

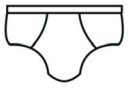

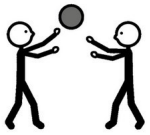

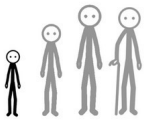

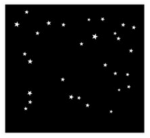

Se | la | leggerai | alle | nove in punto | dopo | ti | addormenterai | meglio | anche | tu .
