

Bologna 7 agosto 2018  
 7  agosto 2018  
**2018** .

Ieri pomeriggio a Bologna  
  a  Bologna

è successo un incidente molto grande  
  un   molto  grande  .

Una autocisterna piena di gas infiammabile ha tamponato un camion in tangenziale.

Subito dopo i due camion hanno preso fuoco e l'autocisterna è scoppiata.

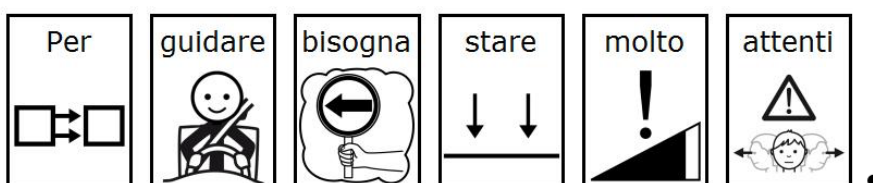

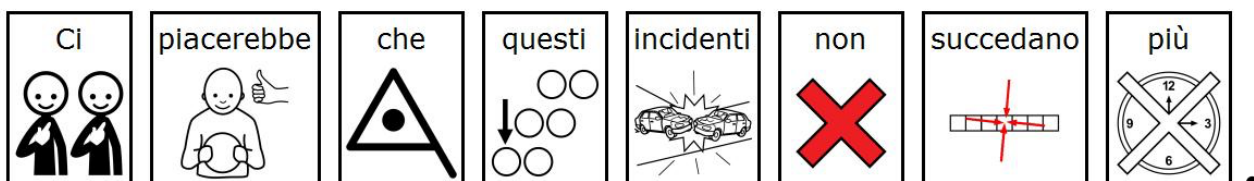

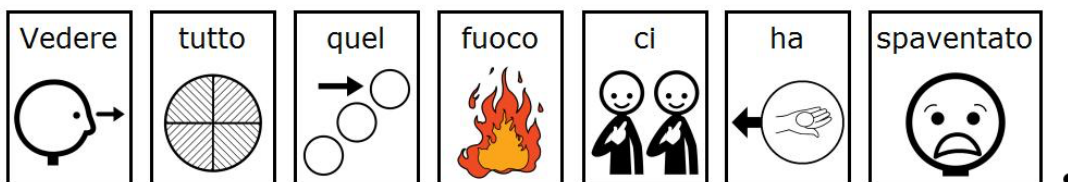

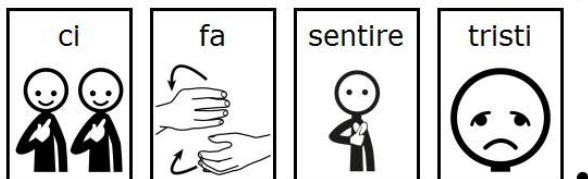

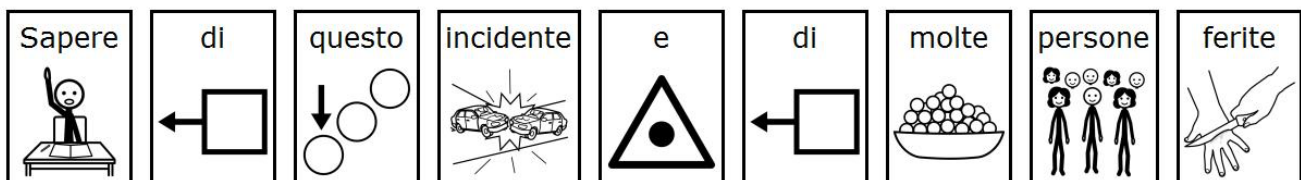

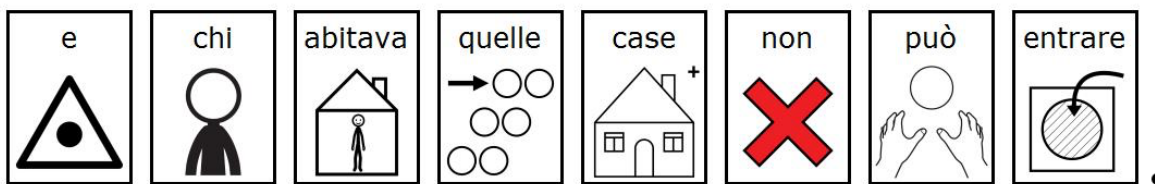

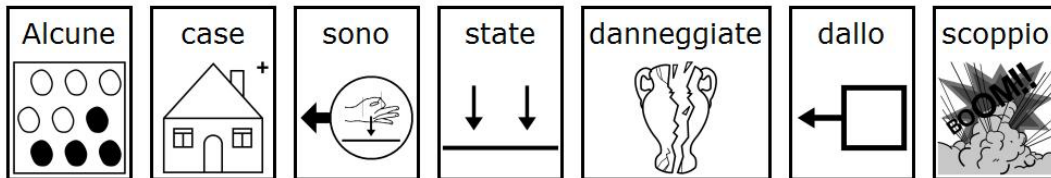

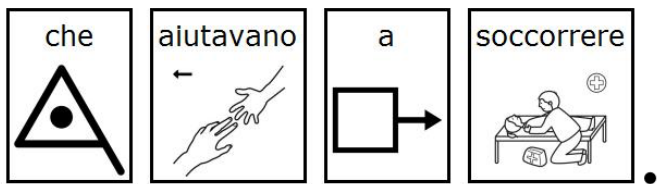

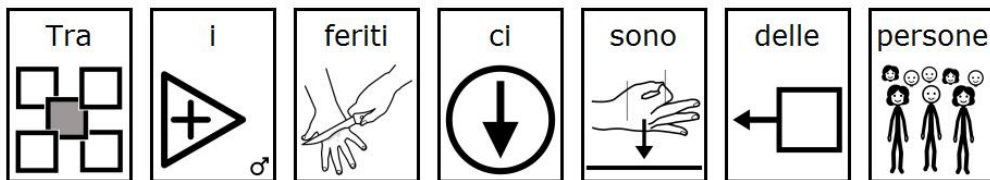

Lo scoppio ha distrutto il ponte della autostrada.

Sotto il ponte c'erano delle auto che sono esplose.

L'autista della autocisterna è morto.

Quasi 100 persone sono state ferite.
